

Parking Charge Notice

DO NOT IGNORE THIS NOTICE

~~XXXXXXXXXX~~

Dear Mr ~~XXXXXXXXXX~~

We have issued Parking Charge Notice (PCN) ~~XXXXXXXXXX~~ to your vehicle because it was parked in a manner whereby the driver became liable for a parking charge at **The Ropery Car Park, Ilfracombe** that we are authorised to manage on the ~~10th~~ **10th August 2017** at 11:45. The terms and conditions of parking on this private land are clearly set out on the signage installed within the car park. By parking within this car park you are bound to these terms and conditions and liable to pay a charge if you breach these terms and conditions.

A discounted charge of **£60.00** applies if this Parking Charge Notice is paid within 14 days of issue. If you choose to not pay at this amount, the full value of **£100.00** will be due.

We have requested your details from DVLA as the registered keeper of the vehicle, through the Reasonable Cause criteria of pursuing an outstanding parking charge. The reason we issued a PCN to the vehicle is as follows:
Parking Session Expired Or Unpaid

If you were not the keeper of the vehicle at the time it was parked or if the vehicle was stolen prior to the beginning of the period of parking which is the subject of this Notice, please let us know. If you were not the driver we ask you to supply the full name and current serviceable postal address of the driver so that we may address this request to them.

We now request this amount is paid using one of the payment methods described overleaf. If within 29 days we have not received full payment or driver details, under Schedule 4 of the Protection of Freedoms Act 2012, we have the right, subject to the requirements of the Act, to recover the parking charge amount that remains unpaid from the keeper of the vehicle.

Operating in accordance with the British Parking Association's Code of Practice
